

Heart Paper Chains

What you'll need:

- Paper strips cut into 20cm x 4cm strips
- Paint - if you're painting the paper before cutting into strips, or felt pens or just plain coloured paper
- Stapler
- Scissors

1. Cut the paper into strips that are 20cm long and 4cm wide.
2. Decorate your paper if you like by painting it or colouring it using felt pens or coloured pencils.
3. Fold your strips of paper in half.
4. Place the pointed end of the 1st folded strip into the crease of the 2nd folded strip and staple.
5. Continue to fold and staple as shown in the photo.

Paper

Top Tip: keep your chain relatively short or the weight of it pulls the hearts down.
